Then Daniel 2 a stone cut out without hands. All the debris of this world kingdom. And then passes away as summer [inaudible]. And then that stone becomes a great kingdom fills the face of all the earth. Whose that stone? The stone that was rejected of the builders that’s become the head of the corner. Our lord Jesus Christ. And Zechariah 9 says he’s going to cut off all carnal reliance’s on weapons. And then he shall speak peace unto the nations with thee bear shall lone with I go ye and thee shall speak peace to the nations and its kingdom shall be from sea to sea and from the river to the ends of the earth. That’s it. That’s what he’s going to do. And we read he’s going to be king of kings and lord of lords forever and ever and ever. [Inaudible] has often been told that one of Queen Victoria, she was a godly queen. Queen Victoria’s Chaplin’s preaching for her at Windsor. Made the second coming of the lord Jesus Christ the subject of his message. After the service the queen was always a very reverent attentive listener. She spoke to him on the topic that he had chosen. She was so pleased. And she wound up by saying oh Chaplin, how I wish the lord would come during my lifetime. And he asked her, why does your majesty feel this very earnest longing and desiring? And she replied without a moment’s hesitation. Her lips were quivering. Her whole countenance lighted by deep emotion. She said I should so love to lay my crown at his feet. Beloved, there’s but what rightful eternal king, the lord Jesus Christ. And the lord god almighty is committed to the program of setting him on his rightful throne. Why? Because the one who had the agony is going to have the acclaim. The one who had the blood is going to have the blessing. The one who had the cross is going to have the crown. The one who had the death is going to have the delight. The one who had the gore is
going to have the glory. The one who had the judgement is going to have the joy. The one who had the misery is going to have the majesty. The one who had the ridicule is going to have the reign. The one who had the suffering is going to have the satisfaction, and the one who had the thorns, and I’ve seen the valley of the thorns. They are as a spike. He who had the thorns will have the throne. Listen to our hymnology. That’s one of the big sins of the Christian church, and has been for a long time. We sing songs, and don’t pay attention to what we’re singing. Crown him with many crowns, the lamb upon his throne. [Inaudible] the heavenly anthem drowns all music but its own. Awake my soul and sing of him who died for thee. And hail him as thy matchless king throughout eternity. Jesus shall reign where the sun does its successive journeys run. His kingdom stretch from shore to shore. Till moon shall wax and wane no more all hail the power of Jesus name. Let angel’s prostrate fall. Bring forth that royal diadem, it belongs to him. Bring forth that royal diadem. And crown him king, Lord of all. That’s an amazing thing in 46 years of Christian experience, I’ve noticed people that pray for the coming of the lord, they want him to be lord, and they want him to be king, they want him to be benevolent, benign, potentate, majesty. But you know what they won’t let him have? The fullness of their allegiance. They won’t surrender everything to him. Why not? I tell you if the people of god would surrender truly in more than just token commitment, but total commitment. The world would never be the same. And I have bought biblical proof for it. Acts. When believers commit at all the scripture says, they turn the world upside down. And it’s just what the world needs, because it sure is upside down now it put it upright. Yes. And were going to sing hymn 391, I surrender all. 391. Do we know this hymn, 391? How many do not know it? We all know it. 391. That’s our invitation hymn. I surrender all. If he’s a king, and he is, then we’ve certainly ought to treat him that way. I surrender all. 391. Shall we stand as we sing. Let’s not
just sing it but mean it. All to Jesus I surrender. [Inaudible] that was beautifully done. Do we have a tape on that? That was beautiful. Perhaps some of you missed the finer points there but there were all there. Now this evening, we are going to be dealing with the matter of the double headed, or the dual headed monster of this end time. It appears, getting to appear on the worlds seam. The dual headed monster on the worlds seam in the end time. We indicated that one of the evenings, perhaps even tomorrow evening, we will be dealing with the matter of the church wedding. I think we shall do that on Wednesday. And tomorrow night, where is the church headed? Where are the churches I should say headed. Or the ecumenical movement. You haven’t heard very much of it lately, but it is far far from dead. It’s being kept very much alive, in fact there are numerous magazines now in the theological area. The tree only of the ecumenical movement. It is far from dead. And then the church wedding on Wednesday. Thursday we shall have a message from the word on Israel. We’ll have one on Israel. And then the Friday evening will be the word on the holy land with slides. I indicated last night that this theme is in the book of the revelation. The book of the revelation. If you go into a library, especially a well-stocked library, you will find that there are hundreds of commentaries on the book of revelation. Obviously they can’t all be right, especially since they do not all agree with reference to the interpretation. How are you going to know? Somebody said that in the British museum, there are some 2000 different commentaries on revelation. I’m sure if that one actually counted them, or had account of them given to him. The number must be far beyond that. Certainly. Well the way to know, and not to buy all kinds of dead lumber for the library. The best way to know is to turn and see what the commentator, particular book says about the 19th verse of the first chapter. Because that’s the key to the book of the revelation. Right the things which thou has seen and the things which are and the things which shall be hereafter. That’s the three fold outline of the book
of the revelation. The things which thou has seen, chapter 1. The resurrected Christ, coming judicially as the high priest in judgement. That’s why that particular garment that he has. It’s the high priest garment coming down to the very toes. So the things which thou hast seen chapter 1. The things which are, which now obtain or prevail. For it’s the age in which the apostle John was living. And were living in the same age. The age of the presence of the bride of Christ on earth. So, here we have this remarkable disclosure. Not of the historical progress of the church on earth but its spiritual history on earth. Not its political history but its spiritual history. And you go all the way from the Ephesus stage on to the Smyrna Pergamum Thyatira Sardis Philadelphia and Laodicea. Where Christ is ready to spew the church out his mouth. He’s on the outside knocking to get in and they will not give him access or entrance. The things which are. Now we know that that picture in chapters 2 and 3 is valid. It’s authenticated. You can double check it. How? Every prophetic epistle in the New Testament and every second epistle in the New Testament has something on prophecy. 2 Corinthians, 1 and 2 Thessalonians. There you have it in first Thessalonians as well. So you have it in 2 Thessalonians, 2 Timothy, 2 Johns, 3 Johns, Jude the revelation. Every second epistle in the New Testament has something to say about prophetic things. What we call eschatology; it’s a technical word meaning the discipline or the study of last things. Now what do those books show you? They all show you that from the original first pristine beginning, purity of the church, it gradually went on and worsened and became more corrupt, more removed from first things than it was at the beginning. Well that’s exactly what you see. The same progression downward that you have in Revelation 2 and 3. Then the things which shall be hereafter, after what? The two words in the Greek are after these things. Yes. If you have your march in there after the church age. After the church age. After the things that will happen in chapters 2 and 3. That would mean
from our viewpoint, that which is anticipated. That which is ahead of us. And it goes on in 3 fold division there too. The book of the revelation is very orderly, though it does have 3 parentheses. It’s very orderly and there you find what? Well you find that from chapter 4 through chapter 19, we have the tribulation time. Chapter 20 the millennium. Chapter 21 and 22 eternity to come.

Now, I’ve given you the information concerning the broad outline. Now, in that chapter 4 to 22, in that section, you will get in chapter 11, turn with me to chapter. Well I should turn with you to the end of chapter 10 where we read. Notice this at the end of chapter 10. Verse 10, and I took the little scroll out of the angels hand and ate it up. That’s the prophecy. Just as Ezekiel did in his time. And it was in my mouth sweet as honey. In other words the first reaction was this is great. Great. Keen. Beautiful. And as soon as id eaten in my belly was bitter. As soon as id eaten it, my belly was bitter. What’s the matter? The more you thought of it, the more you realized the implications, you say well wait a minute. I probably have been emphasizing so many of the good things for me as a believer. What about the awful entail, the awful consequences of agony and anguish and misery and trial and trouble for those who are outside of Christ. because if you read these chapters on the tribulation, you’ll see god is dealing with the world in a way entirely different then what he deals with the world today. Though there are earthquakes, there are famines, there are wars, there are rumors of wars, rumors of wars. Those are the wars of nerves, the cold war. In that day, they called them rumors of wars. All that, going to be very very much worse. And there are seven judgements in series. The seal judgements and the seal judgements.

Many do not catch the picture. It is of a scroll. They didn’t have books like this. But it’s like a scroll and after the scroll was folded over a little, it would have like a clip, a seal put on it. And then some more. And then that would be sealed. And more. And there were seven. So if you begin to take this seal off, you can read that much. You take another seal off and you read that
much. So by the time you’ve done it all, you have that. And the reverse also as in Zechariah 5. A scroll written within and on the backside. And so here he says, and he said unto me thou must prophesy. Revelation 10:11. Thou must prophesy again about many peoples and nations and tongues and kings. Why? Because the bible often does that to emphasize. There’s a certain urgency. Why did our lord Jesus say, imagine 23 verse 7. Oh Jerusalem Jerusalem. Did he mean the same Jerusalem the second time as the first? Yes, yes. But there’s an intensity. There is an earnestness. There is a pleading. They say Mary Mary. Or mother mother. Well the first time you meant it and the second time you mean the same one, but there’s certain urgency. And so here you have it in the 11th chapter. You’re going to see that things are going to be revealed at another time. And there’s a sense in which some of the things are going to be emphasized in a way they never were before. The matter of fact in the 11th chapter of revelation the 15th verse, as far as chronology is concerned, you are as far as you will be when you get to the 20th chapter. Why? He says the kingdom of this world has become the kingdom of our lord and of his Christ, and he shall reign forever and ever. That’s what you have in the 20th chapter. See, it’s a jumping ahead even in a prophetic book. A, if you will, a peep ahead. Through the veil into the future. Now, this has been parenthetical in the 11th chapter. Now, he comes to the 12th chapter. And here, you have the prominent persons that will have part. Who were the main actors? You often see that on a screen or in a book. Here are these in the Shakespearean play, the dramatis personae, the persons of the drama and so on. Who are the main ones? Well you get from chapters 12 through 14 anyhow, and then you do get some others. You have the bowl judgements in chapters 15 and 16 winding up with 17 and 18 on mystery Babylon. It will be in that somewhat tomorrow evening lord willing. Now, in the 12th chapter. You have some prominent persons. Who are they? A woman. That’s Israel. How do you know? She gives birth to Christ.
How do you know its Christ? Who is to rule all nations with a rod of iron. That’s what psalm 2 tells us. He rules the world with a rod of iron. Now. And then the woman we mentioned, Israel. The child, the lord Jesus Christ. And who is the other? The dragon and Michael the archangel with his angels. They are up in heaven. The dragon gets downcast on earth, verse 13 of chapter 12. Now, the 13th chapter. Here you have what’s indicated as the beast and the false prophet. The beast and the false prophet. Why are they so important. Well I’ll tell you why my good friends. Because they have done so much damage. I mean it. They have done so much damage that god has a judgement prepared from them alone. And the beast was taken, I’m reading from 19 in revelation verse 20, chapter 19 verse 20. And the beast was taken and with him the false prophet that wrought miracles before him with which he deceived them that had received the mark of the beast and them that worshipped his image. These both were cast alive into a lake of fire, burning with brimstone. And 1000 years later, in the 20th chapter of the revelation, at the end of that 1000 years they’re still there. You say anybody be in fire and not consumed? Yes, even without asbestos suits. But how? Well will you please tell me who it was that put the consuming power in fire to begin with? Then he can counteract it. And do we have a preview? Of course. The three Hebrew children in the fiery furnace. You say well it must not have been very hot. That’s not the way I read it. Because those others who accuse them before they ever got in very well, they were consumed. And some people say that about the lion’s den. They weren’t very hungry. Is that right? Because it wouldn’t eat Daniel? Didn’t you read the rest of the story? You know it’s remarkable how much of the bible you can know by reading it. But that’s the last thing people want to do. I mean it. They don’t want to read it. They’ll go to night school and day school and institutes and colleges and even seminaries. And graduate schools of religion in universities. But you just try to get them to read the bible. Like the fellow that nudged his wife
after a lot of pestering of him, she finally got him to go to Sunday school. And he nudged her and says; my I sure am glad that you sold me on going to Sunday school. She said did you hear what he said? He said Sodom and Gomorrah were places, I always thought they were husband and wife like tyre and Sidon. Yes, remarkable how much of the bible you can know just by reading it. Yes. Now, what do we have here? We have that god sustains them in fire. Just as god sustained Daniel and those lions to finish that one off, were hungry. Because those accusers were thrown down and before they ever hit the bottom. The lions had the best meal they'd had in a log time. Now, I’m in the 13th chapter of the revelation. 18 verses. The apostle john in this chapter is continuing his portrayal of chief participants of the end time. He’s going to add 2 more. Why 2? Not just because I thought of the subject of the dual headed monster. This has been here a long time before I ever thought of a title for it. You have to realize that preachers don’t invent the bible. If they do it’s no good. So here we have 2 more. They have 2 more actors and they are certainly casting their shadows before. You need along with this 13th chapter of the revelation, you need to study chapter 7, the beast there in Daniel. And the 9th chapter and the 11th chapter. Absolutely essential to an understanding of this very important chapter of the revelation. Now your work is laid out for you, don’t say I had a very dull day, I didn’t have anything to do. I already assigned something to you to read chapter 7, 9 and 11. Now, the beast and the false prophet. Look at the first 10 verses. Beautifully divided into 2 parts. And I stood upon the sand of the sea, who is that? Apostle John. And I saw a beast. That means a beast like person. And do you notice how much emphasis is on animals? They’re scarcely a mascot of a school. But what’s an animal? Not new either. I was in the school in the 20s. I was in the university in the 20s. And they had the panther. Or you have the Trojan horse at SC. I’ve forgotten just, oh yeah the bruin, the bear. At UC oh how could I forget it. Had 3 children and they took plenty out of us for that. I
guess they got new bears every time they played a game. And bears cost a lot of money. I stood
upon the sand of the sea and saw a beast rise up out of the sea, having 7 heads. That’s a complete
number. And heads indicate intelligence. And 10 horns. Now there is no such animal. You have
to realize in scripture, some animals are as we have them in nature. Certain other ones, are what
we call revelatory or animals made up to convey a certain revelation or disclosure of truth. Now
don’t go looking around in your zoology book for an animal that has 7 heads and 10 horns. I
have news for you. You’re not going to find it. And you’re too young to get old just looking for
that. And on his horns, 10 crowns. Now you know what a horn is of a horned animal. That’s the
part of him that expresses his will. Talked to one of our, my students once. We were in the book
of Zechariah on the horns. And he says you’d be amazed what happens to a horned animal when
that horn is broken. Before that time, it’s feisty and can’t get enough fighting. But if the horn is
broken, it will run like fire from it. The horn is its power. It’s the way it shows its strength.
That’s why when Hannah is thanking the lord in 1 Samuel 2 she says, my horn is lifted up. What
does she mean? Well things are going great with me. And upon his horns 10 crowns. He’s
already fitted out. Diadems, not just the stephanos, like Stephen. But crowns as in revelation 19.
This man is a pass master at counterfeit. And upon his heads the name of blasphemy. There it
gives him away. As in the 7th chapter of Daniel, that final beast which represented Rome. Names
of blasphemy. Eyes and a mouth speaking great things. Blasphemous things. And were seeing
more of it than we have ever seen in our like before. In this chapter, we have two human actors
and one unseen one because he’s going to mention the dragon in verse 2. We have a trio of evil.
The beast which I saw was like a leper. His feet were like the feet of a bear. His mouth like the
mouth of a lion. And the dragon gave him his power and his throne and great authority. Notice
how careful the bible is. In Daniel 7, the first kingdom which is Babylon is under the picture of a
lion with wings to speak of rapidity and velocity. And then, and they are seen. You can even go to the [inaudible] to the university of Chicago. And you’ll see in the audiot [sp?], especially in Assyrian Babylonia, great lions with wings. Wings. And the face of a man often too. Just like the sphinx. Animal with the face of a man. So that’s the first beast. The second beast was a bear. A bear. [Inaudible] Persia. When a bear gives you a bear hug you’re not very well off. Let alone when he’s angry at you. Then the third was like a leopard. Now notice they’re all here. There’s a leopard and the bear and the lion in reverse order. But what do you get after the 6th verse of the book of Daniel the 7th chapter. You find that there is another beast fierce and terrible and irresistible and entramples and stamps with his feet. But it doesn’t give his name. It doesn’t give his name. He’s what’s called the nondescript, n o n d e s c r I p t. he’s not described by any name that we find in any zoology book. Or any book on nature. Natural science. And why is that? Because Rome was more powerful in a sense than all of them. And it made the boast that no matter how many nations it’s subjugated, it could always consolidate them. It could always incorporate them in the Roman Empire. And here it is. That’s why the name wasn’t given. Because there’s no name of a combination of a leopard and a bear and a lion. There is no. you see it’s here for purposes of revealing a certain truth. And the dragon, a dragon is a winged cruel serpent, showing his swiftness of action. The dragon gave him his power and his throne. Where is his throne? His throne is on earth. Where Satan’s throne is, this book has already told us that in the revelation. And great authority. Now please don’t say the beast and the false prophet are the first and the second beast. And the dragon or Satan formed a trinity of evil. Don’t you say that. If you’re going to talk about the bible, you might as well use biblical terms. Watch your language. Don’t speak of those as a trinity. The trinity is the godhead. God the father, god the son, and god the Holy Spirit. And unknowing people may think that you mean something with reference to
deity. No no no. you may call them the evil trio, or the gruesome threesome. But don’t call them the trinity. He are wicked instruments of Satan. And do you know they fit in exactly with what Satan’s plan is today? And why just two? Why a dual headed monster? Because the devil knows a lot better than some people in our churches, that god has a twofold purpose. One in psalm 2, a political purpose. Yet have I set my king upon my holy hill at Zion. That’s why Christ is king of kings and lord of lords. He’s called the lord of the kings of the earth. It’s a political term. And Hebrews 2 he brings many sons into the glory that is his spiritual or his ecclesiastical purpose. Purpose in the church. And don’t think the devil hasn’t all the way down the line counterfeited that. Here it is, political. This beast that comes out, world power. We want one world government. And the religious one. Haven’t you heard about the gurus they’re sending us over from India? They want to give us all the religion that we need. Yes. Like an extra hole in the head. We need it. And as if that’s not enough, India’s sending us that, and the momma back there telling which one is in good favor and which one isn’t. That’s beautiful. And then the second one, is this religious one also along with the guru. This moon faced fellow. And more you hear about him, the more you dislike it. And all of it is passed bills that are coming home to roost [sp?]. Well he didn’t want to send as many missionaries as we should have to those areas. Although Korea has been sown down and all. But not enough. Not enough. So that now they are sending missionaries to us. There’s a mosque even in Washington DC. Yes. And they have money. Do you know that the Arab countries are now sending professors and paying the wages themselves? They have enough. They get it from our oil that they sell us if they will. And they are keeping them here to spread Islam. That which there is no greater delusion. Because they destroyed the heart of the gospel. They believe that Jesus was the son of Mary; they believe he’s one of the prophets like David and Abraham. They believe there is an ingil I N G I L, which
means the [inaudible] the evangel. They believe there’s that. They believe they were getting ready to crucify Jesus, they believe that. But in the confusion, somebody was mistaken and got on the cross instead of Jesus. Instead of Jesus getting there instead of barabus. In the confusion, someone else got the place, and Jesus was caught up to heaven. That’s where he is now. He’s going to come back. They believe in the second coming too. I tell you though; it’s one of the great delusions of the world. Used to be said one out of every, oh, 8 persons in the world was a Muslim. That’s not true anymore. It’s one out of every 7. Think of it. There are added Muslims. Muslim is a religion. Doesn’t mean Arabic. Arab Muslims, there are Chinese Muslims. There are Indian Muslims, that’s where you get Pakistan. paki means holy, and Stan is land. Pakistan on those two ends. That’s why they divided from those pagan Hindus. You have them everywhere. You have Muslims, American Muslims and so on. You even have black Muslims. If that doesn’t give you a mental tailspin I don’t know what does. The very ones, the Muslims who sold African Negros into slavery in the last century. Why some of them don’t read history. Anyone who does not read history is immediately consigned to repeating its mistakes. You know what happened to somebody who didn’t know his own history? Read it exodus 1. There rose a king who knew not Egypt. There rose a pharaoh that knew not. Joseph. He didn’t know the history of Egypt. That’s very very costly. And the dragon gave him his power and his throne and his authority. So the world is looking at this moment. Hear it friends, for a great political leader. And for a great religious leader. You have the political leader in verses 1 to 10. They religious leader in 11 to 18 and you can’t mistake it, for they’re talking about political things in the first part, and about religious things in the other. The world is looking for a great religious leader and a great political leader. They want somebody who will take over state and somebody will take over the church. And we have already the framework in the UN. Not only in the UN, which is well named, and
unaware, unwilling and unable and a few other UNs. then united nations. Whatever else they are, they’re not United Nations, they’re divided notions. They couldn’t even decide one time what to do about voting, or having Russia vote. Whether not to vote so they could vote, or to vote that they didn’t vote. And even the Russians laughed. You’ve got to do a lot of work to make them laugh. And because there are these 2 purposes, Satan has 2 counterfeit masterpieces. The beast in the political area, the roman beast and the other beast is the antichrist or the false prophet. He’s in the religious realm. A prophet was not a political leader, he was a religious leader. So follow here. The world is looking for a great political leader and a great religious leader. And the devil has names that go with each one. He’s called the price of this world, that’s a political name. And he’s called the god of this age. 2 Corinthians 4. In whom the god of this age hath blinded the minds of the unbelieving, that’s the light of the glory of the gospel of Christ should dawn upon them. They’re looking for leaders in everyone and they don’t want it. In Christ. No. so they’re going to find their unfortunate desire in this dual headed monster. Fulfilled in the beast and the antichrist. And you find it with a vengeance in the 18th chapter of the revelation. You got a harlot. That’s her name in spiritual terms, riding a beast. That’s the roman beast. And if that isn’t church and state together, I’d like to know what it is. And so the dragon is here, and this one comes up out of the sand of the sea. And sea whenever you find sea it’s indicated in chapter 17. Wherever you find seas, it speaks of nations. And even psalm 2. Why do the nations rage and the peoples imagine a vain thing rage there is the word in Hebrew [inaudible] for the tempestuous [inaudible] waves of the ocean. Because in the natural realm, you can scarcely get anything stronger than water. Hydroelectric power. Tremendous thing. You take the waves of the sea, there may be a lighthouse there, been there for a century or more. But one day the sea rises up in its wrath and it’s gone. That thing is broken like a match box. And so here’s a beast. What about
him? Well, I saw one of his heads as though it were wounded to death. And his deadly wound was healed and all the world laughed and he knew it all the time. No. all the world wondered after the beast. There was a certain stage of roman government. They had ruled by 3 men, triumvirate. Or by 10 men, decemvirate. D E C E M like ten. Ten men. And so on. They had numerous, the imperial form. That was the form that was in existence when the apostle john was writing. One of its heads wounded to death. Everybody thought it’s all over with. You can write finished. And that deadly wound was healed. Oh yes. And all the world wondered after the beast. It was an unusual thing. Now in AD 476 the western part of the Roman Empire ceased to exist, and in the eastern part it went on longer until turkey took over in Constantinople, which means the city of Constantine. He moved from Rome to turkey, Asia Minor. And that went under the rod in 1453. But it’s going to come back. Because Daniel in the second chapter shows not only 2 legs but feet and toes. 10 toes. 10 toes just as you have 10 fingers. And why 10 always? It’s a picture of universality when what god wants to show the holiness of his character to the world, it’s in 10 commandments. And you want to show the extremities. 10 in bold. 10 hands, 10 fingers I should say, and 10 toes. It’s going to exist again in the future. And 10 horns. That’s why you have the 10. There are 10 kings, revelation 17:12. 10 kingdoms are going to rise in the western part of Europe. And even magazines have been saying. There’s so many and so many in existence now. Let’s say the European [inaudible] market, I don’t say that is it. It’s just a straw and the way of getting people’s minds ready. Even a Hitler or a Stalin or whoever, they are all preparing the way. And you take all these isms and sisms and asms and spasms and cults and pults, they’re all getting people ready to think along lines like that. And no wonder this lady is under the figure of the harlot is the one that speaks of miserable doctrine, the mother church. I always said there was a mother church in Jerusalem and a mother church in Rome, and don’t
forget it a mother church in Boston. Where did it get started? From Mary baker Paterson glover eddy. The old Roman Empire never existed in a ten fold form. It’s going to attempt a consolidation as never seen before a centralization. And do you know what there they are so sick and tired of war in Europe that they are ready to have one currency, one judiciary, you know what I’m talking about. And you can still go over in Europe and you’ll find they all have the same type of license place except that ND is for Netherlands GB for Great Britain, HC for the cantons of Helvetia, and so on. Yes. They’re all ready for it. Ready for it. They are so weary that they are going to be ready to take on anything. And they’re going to get the desire just as god allowed Israel. He scavened [sp] their desire we read in the psalms and sent leanness into their souls. My what a picture. And did you notice the name of blasphemy. Another translation has names of blasphemy. Against god. Against his truth as evident in despotic countries. Why, even when he was over here, [inaudible] mouth those vicious defiant blasphemies against god. And all you need to do was look at some of your TV screens. I don’t know why in the world anybody would want to do that. The things that are said about god. If you look at that stuff, you don’t need to go to church. Otherwise you’re going into a mental tailspin. Sure you are. Why go to a church where you say praise god from whom all blessings flow, and hear the blasphemies from that bunch. I mean it. Turn it off for heaven’s sake. We have enough things to make us crazy. We got an election coming up this year. Isn’t that enough for you? As snuffy smith used to say in the comics, that’s enough take the rag off the bush. Then, you have no idea of the museum that they have in Russia. Somebody says why is Ezekiel 30 and 39 so rough on Russia. Why are they different than any other godless nation in the past? I have been a student of history for longer and I’m going to tell you, and I defy you to find any nation in the history of the world. Babylon, Persia, Greece or Rome, or any of the rest. The Hittites the Sumerians and the rest of them that
have ever been as anti-god in such a defined manner. They were pagan ill grant you. They would suppress things. They persecuted the church the first three centuries. But never anything like as we have it today. The beast defies god openly. He had brute force for all of his measures. And this revived Roman Empire, verse 2 is going to be an amalgamation I said of world empires. All the features of the preceding empires will be there Satan’s expelled from heaven and he gives that devil the power. Comes from the abyss. This chapter when it speaks of beasts is talking about men and political death verse 3 did hit the Roman Empire. And that beast is going to be resurrected. There is going to be a resuscitation, a revival of that empire. In the middle of Daniel’s 70th week. And it’s going to be such an unparalleled sight in the history of the world. That though men laughed at it when godly students of prophecy were saying this a century ago. Imagine how much they laughed at it then. It’s still coming about. His influence is going to extend to the whole world. Why? How do you know? Verse 4. And they worshipped the dragon. You know then he’s not up to any good. If he promotes worship of the devil. And who gave power unto the beast and they worshipped the beast saying who is like the beast who is able to make war with him. Well the 19th of the revelation will show an answer to that one in a hurry. What is this doing worshipped. That’s the thing Satan wanted in Matthew 4. Bow down before me he said to the lord Jesus. And I'll give you everything. I'll give you a short cut. Satan usurping god's place. That’s the intentional goal of all ungodly Satan directed men. Don’t you ever forget it. And in Europe and America today you see devil worship on the rise. People even on the screen in TV they have all these sinister things with witches and their brew and now they’re doing you a favor. They’re saying perhaps some parts of this should not be seen by your children. Do you know I have a track in my library called the legion of Lucifer? A concerted plan by carhops [sp?] especially. Oh it’s all written out there. How to corrupt and demoralize the
world. And you may have heard of this vicious one in San Francisco. Yes. The church of Satan. Better call it the assembly of Satan. Certainly not a church. And the things that they say there and the things that they do. One of the fastest movements in the world today is the worship of Satan. Children. This is fact not fiction. In Orange County in the Santa Ana area have said openly I have made a contract with the devil. Given myself over. See what [inaudible] thing. It’s not that we have too many Christian schools in the lower areas, we need more of them. More of them. Yes. Oh the insolence. Men worship power at the disposal of the beast. And in Europe, in France a retired post office carrier. Supposed to have [inaudible] it was a letter carrier. Went and had an ad in the paper. You must come under my rule in this election. I love you. You are my people. And he signs it in French, your god. The mans out of his mind, well that goes without saying. Yes. Claim to omnipotence. Look at the insolent questions. Look at the boastful questions. Who is like the beast? That’s the name Michael. Who is like god? This fellow says ill run you an equal. I’ll run you a counterfeit one. Who is able to make war with him? Yes. And look at verse 5 and 7. That was given him a mouse speaking great things of blasphemy. Strange thing that the lord wouldn’t strike them dead. And the powers given unto him continue 40 and 2 months. That’s the latter half of the 7 years. The intense one when there’s a move in as it were. For the kill. He opened his mouth and blasphemed against god. To blaspheme his name. And you couldn’t even mention the name of god on the radio at one time. Now the things they say about him just make your blood run cold. And his tabernacle and then the dwell in heaven. Yes. While I’ve been here. Brother strob [sp?] pastor strob has shown me. What is in the hymnal that’s used in our army? And they will not revoke it. Calling god all kinds of things. And no wonder they killed
